## **The Teachers of the Month**

### **Miss Julie**

She is excited to be working with the competition team on a tap dance and for the beginning of Green Dance Academy.

Miss Julie fell in love with tap ever since her first dance class in middle school. "It's similar to playing the violin and piano in terms of counting"!

She is all about drinking WATER! If she doesn't have water she just might have a Barry's Gold Tea. Miss Julie loves to get herself some avocado sushi rolls or maybe some mac and cheese!

When Miss Julie isn't at the studio she's working at Paddletek where she is learning the workings of a small company. She is also a up and coming photographer!

Miss Julie is looking forward to the new vision of the studio and "becoming the best teachers we can possibly be"!

## **The Teachers of the Month**

### **Miss Marisa**

Something Miss Marisa is excited about is watching her son and daughter grow up and become amazing little people!

Her favorite styles of dance are clogging and acro which she started when she was young and has loved ever since. Miss Marisa loves some coffee with LOTS of creamer! If not coffee then a cherry Pepsi with her favorite food...tacos!

When Miss Marisa isn't at the studio she loves being home with her kids or visiting family.

She is really looking forward to teaching her students new steps and watching them grown as a dancer and can't wait to see everyone at recital!

## **Recital** **Costumes**

**The recital costume books are out!**

**We will be trying on costumes this month so be sure to be attending class!**
